The following is an outline of the process steps associated with various types of university policy changes:

A. New or Materially Revised Policy
   Step 1. Identify policy need, assemble writing/advisory group, and consult ROPC, OUCI, and policy tools to get started.
   Step 2. Present proposal to Senior Management Council (SMC) for authorization to move forward.
   Step 3. Write/revise policy—consider policy gaps, benchmarking, best practices, stakeholder input (including from Legal & OUCI).
   Step 4. Share draft policy with university community for two-week public comment period; consider/integrate feedback received.
   Step 5. Present draft policy to University Policy Review Committee for review; consider/integrate feedback received.
   Step 6. If after sign-off by Legal, responsible executives, and OUCI, present policy to SMC for endorsement.
   Step 7. If SMC endorses, present policy to President’s Cabinet for approval.
   Step 8. Some policies require University Senate and/or Board of Trustees approval.
   Step 9. Implement policy, communication plan, and training; review policy at least every 5 years.

B. Interim New or Revised Policy
